PUBLISHED WEEKLY IN CANAL POINT BY PAUL RARDIN

CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

Local Gridder Is Valuable Player Virginia Team

Bill Maxson, son of Mr. and Mrs. Leonard Maxson of Canal Point, was one of the eight football players voted in an informal poll by coaches of the Virginia small college circuit as the most valuable during the past 1965 season. The colleges in which the poll was taken included Randolph-Macon, Washington and Lee, Emory and Henry, Hampden-Sydney, Frederick, Bridgewater, Virginia State and Virginia Union.

The poll, taken by the Richmond Times-Dispatch, revealed that three tackles, two quarterbacks, a tailback, a halfback and a fullback were the most valuable players for their respective teams.

Bill Maxson, 6 feet, 3 1/2 inches tall and weighing 224 lbs., is a senior at Emory and Henry College, Virginia, and played tackle position on the Emory and Henry Wasp football team during the past season. The coach of the Wasps, Gasto Ramsey, selected Bill, who has been a regular player on the Wasp team during his entire four years at the college, as a nominee as the most valuable player on his 1965 team.

In voting Bill his most valuable player, Coach Ramsey made the following comments: "Agile and aggressive, Maxson has good speed and movements for his size. He plays well both ways, has been our most consistent player and is a good team leader and student." The Wasps ended the 1965 season with a 3-5-0 record.

Corn Price Is Low, Beans Sell Good, Celery Price Fair

The price on sweet corn is again slow and low this week with the offerings bringing only \$2.00 and in some cases it has dropped as low as \$1.75. The market is described as steady, but the lowness of the price has everybody guessing—including the growers and brokers.

Beans in small volume have been bringing top prices during the past ten days to two weeks. Top price in one area was \$6.10 per bushel hamper ten days ago and since that time the best harvesters have been selling from \$4.50 to \$4.70. The very best quality sold this week for \$5.10 to \$5.25 per hamper.

That delectable weed—celery—has been holding its own since it came into production this fall. The price on a barely steady market has been in the neighborhood of \$3.00. Just a few short days ago brokers were scratching their heads when they thought of places to buy celery to fill the demand. That situation has passed and there is plenty of celery to go around this week and the market report says that the demand is light.

Cucumbers are in good demand and the price is as high as \$3.25. Pepper is in moderate demand and the market is steady with the price as high as \$5.50 per bushel tub.

JACKSONVILLE VISITORS

Mr. and Mrs. Louis Davis had as their recent guests her brother-in-law and sister, Mr. and Mrs. J. S. Sheppard and niece and family, Mr. and Mrs. L. T. Sapp, Jr., of Jacksonville. Mr. and Mrs. Sheppard and Mr. and Mrs. Sapp were also the guests of Mrs. Sheppard's brother-in-law and sister, Mr. and Mrs. R. H. Ehnstrom.

Water Works Will Hold Open House In January

A completely rebuilt and refurbished water plant in the City of Pahokee will be shown off to the folks who own it—the taxpayers—on a special occasion in January, 1966, when "Open House" is scheduled by the City Council in an effort to show the taxpayers what they have purchased with their money.

One of the city councilmen in commenting upon the "Open House" said: "We on the council feel that the citizens will be happy to pay the water plant a visit and see first hand the excellent improvements that have been made. They will find that their money has been well spent and we feel sure that they will be happy with the accomplishment on the huge water plant expansion program."

Final payment in the expansion program will be made by the council when the amount is fully and completely authorized by the engineer and city attorney. Present plans call for completion of lateral lines in the sewerage system to be completed by December 15. It is hoped by officials of the city that they can call on the State Board of Health for a final inspection not later than the middle of December.

R. E. Boe Passed Away Saturday

Funeral services were held Tuesday in the Wetherington Funeral Home chapel for R. E. Boe 90, who passed away Saturday in Helen Wilkes Nursing Home in Lake Park. Mr. Boe was a pioneer resident of the Glades and for many years was engaged in farming in the area before his retirement.

The funeral services were under the direction of Rev. Guthrie Colvard, pastor of the First Baptist Church in Pahokee, and burial at Woodlawn Cemetery—West Palm Beach. Pall bearers were: J. V. Thomas, Sr., O. B. McClure, Leo Maxwell, H. J. Anderson, Marshall Lair and Robert Simonson.

Mr. Boe, known as Papa, was a native of Copenhagen, Denmark, where he was a cheesemaker. His first home in the United States was in California and he later moved to North Dakota. He came to Florida in the 1920's, first settling in Homestead then pioneering in Glades County. He raised avocados near Pahokee for many years.

He is survived by a son, Olaf Boe, of Pahokee. A second son, Hugo Boe, was killed about two years ago in this area when the truck he was driving went into a canal. He apparently had suffered a heart attack.

Resurface Job Promised July 15 Old Belle Glade Rd.

On July 15, 1965, the State Road Department engineer in charge of the Port Lauderdale office promised that State Road 15 (US 441) from Belle Glade through Pahokee to Canal Point would be given a resurface job. Nearly six months of the present State Road Department budget year have passed and nothing has been done about the resurfacing.

Members of the City Council of Pahokee are beginning to wonder when the SRD in Lauderdale plans to advertise the resurface job. In fact the Pahokee group, interested in the rebuilding of the road through their town, are sending the SRD Lauderdale office a resolution asking that work be done on the highway in the immediate future. It is possible that the retreat job will be shunted aside and work done in other areas. Such things have happened before with the road department.

The letter received from the engineer in charge of the Lauderdale SRD office follows: Mr. Paul Rardin, Publisher The Everglades News Canal Point, Florida Dear Mr. Rardin:

This is to acknowledge your letter of July 13, 1965, concerning State Road 15 between Belle Glade and Canal Point. I wish to advise that an item has been included in the 1965-66 Primary Road Budget to resurface State Road 15 between Belle Glade and the intersection of State Road 700 in Canal Point. We have not at this time prepared a schedule as to when construction might take place on this budgeted item. Please be assured that all efforts will be made to expedite this improvement project.

Yours very truly,
Clarence E. Davidson
District Engineer

Blanton & Unwin Get Quarter Of Million \$ Job B. G.

A Pahokee contracting firm—Blanton and Unwin—have started construction on an addition to Lake Shore High School in Belle Glade. The contract price is more than a quarter of a million dollars. In fact, the exact figure is \$254,000.00, according to the architect.

A small portion of the building will be two stories and it will be located between the existing gymnasium and the administration building. Present plans call for completion of the building in time for the 1966-67 school year.

Included in the one-story building will be additional dressing room and shower facilities for female students, and a new industrial arts and agriculture classroom facilities.

GARDEN CLUB MEETING

The Canal Point Garden Club will meet December 16 at the home of Mrs. Paul Rardin at 3 p.m. The topic will be "Christmas Symbols and Legends."

MIAMI VISITORS

Mr. and Mrs. Monroe Pope and daughter of Miami and Mr. and Mrs. Roy Pope and three daughters of Orlando visited their parents, Mr. and Mrs. W. P. Pope, in Canal Point on Sunday to help celebrate the 75th birthday anniversary of their father.

Pahokee Lions Sell Two Kinds Of Yule Trees

Do you want a treated Scotch Pine or a Canadian balsam fir for your Christmas tree? You can have your choice on a first come, first served basis at the Pahokee Lions Club building each afternoon beginning at 4 p.m. Sales will be closed down each evening when business ceases.

Kyle Scott and Charles Lewis are committee chairmen in charge of Christmas tree sales and they said this week that Lions are going to push tree sales real hard in an effort to gather in enough profit to make a mortgage payment on the building. It behooves citizens of the area to patronize the Lions group because they maintain the building for many activities other than just their own meetings.

The Lions in charge said that there are around 200 trees to be sold this Christmas season. On Saturday volunteer sales men will begin selling at the noon hour. There positively will be no Sunday sales, the Lions officials said.

SAVANNAH VISITORS

Mr. and Mrs. W. C. White of Savannah, Georgia, and the guests of their nieces and nephews, Mr. and Mrs. W. O. Moss, Dr. and Mrs. F. H. Potete, Judge and Mrs. J. L. Tyson and Mr. and Mrs. Richard Nason.

Funeral Services Mrs. Elliott, 83

Martha Ann (Mattie) Elliott, 83, a former pioneer resident of Pahokee, died December 3, 1965, at the home of her son-in-law and daughter, Mr. and Mrs. George McLarty, in Lake Worth.

Funeral services were held Sunday, December 5, at the Pahokee First Methodist Church where she had been a member for 42 years. Rev. A. D. Houbin, former pastor of the church, officiated assisted by Rev. John Briley.

Pall bearers were Mrs. Elliott's grandsons, Dr. Bill Blakey, Orlando; Lt. Ronald Elliott, Orlando; Thomas L. Elliott, Jr., Satellite Beach; Wayne A. Elliott, Jacksonville; Larry B. Elliott, South Bay and Jimmy Doolittle of Fort Lauderdale.

Interment was at Port Mayaca with graveside services conducted by the Pahokee Order of Eastern Star. Wetherington Funeral Home was in charge of arrangements.

Mrs. Elliott is survived by five daughters, Mrs. Lola Blakey, Orlando; Mrs. Juanita McLarty, Lake Worth; Mrs. Lorraine Doolittle, Fort Lauderdale; Mrs. Bennie Allen, Meridian, Mississippi and Mrs. Hazel Kendrick, Bradenton, and one son, Thomas L. Elliott of Florida, Alabama. She had 18 grandchildren and 30 great-grandchildren.

Agriculture Men From Many States Tour The Glades

Kansas, Ohio, Minnesota, Michigan, Nebraska, South and North Dakota, Missouri, Iowa, Indiana, Illinois and Wisconsin were represented by state agricultural officials on a tour of the Everglades farm country on Monday of this week. The tour was arranged by Agricultural Commissioner Doyle Connor and Palm Beach County Agents Pryor and Causey. Connor could not be in the Glades and the tour was conducted by the county men and one of Connor's assistants.

Vegetable areas, sugar cane fields and sugar cane mills were among the sights of interest shown the visitors, who were greatly impressed with what they saw. On a visit to the Everglades Experiment Station they heard Dr. W. T. Forsee, Jr., explain the workings of the station.

In a running commentary the visitors heard Associate County Agent John Causey tell the "Glades Story." If any man in the state of Florida knows the Glades story from A to Z, it is John Causey. He is one of the best versed men in Florida on Palm Beach County and its vast agricultural workings.

There was a brief stop to explain the celery harvest. Here the visitors were afforded their first glimpse of "mule trains" in operation.

At noon, the entourage traveled to Clewiston where they were the guests of the United States Sugar Corporation at lunch at the Clewiston Inn.

In the absence of Harry T. Vaughn, Sr., sugar company president, John B. Boy, executive vice president, was host at the luncheon. The Henderson County portion of the trip was concentrated at the Sugarland Ranch owned by the sugar concern.

In concluding the visit, the visitors were taken on a tour of the Sugar Cane Growers Cooperative of Florida mill with Robert C. (Bob) Lee in charge.

Write Plain On Your Package Before Mailing

One of the biggest problems postal employees face is illegible handwriting. At Christmastime, when mail volumes skyrocket, this can become a major problem, Canal Point Postmaster Edythe Smith said today.

"The use of ZIP Codes by mailers does help speed up the process because often if the city and state are unreadable the ZIP Code will direct the mail to the post office from which it will be delivered. Clerks in that post office, being more familiar with local residents, may be able to figure out the person to whom the mail should be delivered."

The postmaster encouraged mailers to be a bit cautious and insure all packages. All parcels should be addressed on only one side and should have the address written somewhere on the inside of the package.

Fake Claims By Some Concerns About Insurance

L. V. McClelland, local Glades Veterans Service Officer, warned all parents and wives who might have sons, daughters or husbands in the military service that letters are being sent out to some of them by some private insurance companies, offering a certain class of insurance, trying to leave the impression that it is in the new Military Insurance enacted by the last session of Congress and are asking that certain premium payments be made.

McClelland said this new insurance will cover all persons in the military service and no money need be paid by any wife or parent, that the serviceman will

have a maximum of \$2.00 deducted from his monthly military pay for \$10,000 of insurance. McClelland said, "Don't be fooled by these insurance companies trying to take advantage of you on something Congress has made law and available to each and every in-service man and woman."

Keep freedom in your future with U.S. SAVINGS BONDS

The U.S. Government does not pay for this advertising. The Treasury Department thanks The Advertising Council and this publication for their patriotic support.

To help your country is one answer — and a good one.

But Bonds have other advantages that make them worth your consideration.

For instance, they offer you just about the easiest way to save money; either with the Payroll Savings Plan, where you just ask your employer to put part of your wages aside toward a Bond or through regular purchase of Bonds at your bank.

Another unique advantage of U. S. Savings Bonds is the way they stick with you. You can get your money any time.

But if you're like most people, you'll hang on to your Savings Bonds for the big things you want in your future.

And, of course, Bonds are a safe investment — as long as there's a United States of America.

Which brings us back to your country again. Bonds help defend freedom at a time when the enemies of freedom are stronger than ever.

Buy Savings Bonds. The banks or savings institutions that sell them don't charge you a penny for the service

New $3\frac{3}{4}\%$ interest on U.S. Savings Bonds

The Treasury explains why the new ones you buy and the ones you own now are better than ever

Q: How does the new $3\frac{3}{4}\%$ interest rate benefit me?

A: With Series E Bonds, the rate turns \$18.75 into \$25.00 fourteen months faster than the old rate. Your savings increase faster, because your Bonds mature in just 7 years, 9 months.

With Series H Bonds, the 10-year maturity period stays the same but more interest is paid you each six months. With both E and H Bonds this new rate works out to $2\frac{1}{4}\%$ for the first year and a half; then a guaranteed 4% each year to maturity.

Q: When did the new rate become effective?

A: June 1, 1969.

Q: Does the new rate change the Bonds I bought before June 1, 1969?

A: All older E and H Bonds pay more now—an extra $\frac{1}{4}\%$ from now on, when held to maturity. The increase takes effect in the first full interest period after June 1.

Q: Will the Bonds I own automatically earn their new rate?

A: Yes. You don't need to do a thing—just hold on to your Bonds.

Q: When my E Bonds mature, will they keep on earning interest?

A: Yes. An automatic 10-year extension privilege went into effect along with the new interest rate. This means your E Bonds will automatically keep earning interest after maturity.

Q: With the new interest rate, should I cash in my old Bonds and buy new ones?

A: No. The automatic $\frac{1}{4}\%$ increase makes it unnecessary—and in almost every case it is to your advantage to retain your present Bonds.

Q: How are series H Bonds different from series E Bonds?

A: The chief difference is this: You buy H Bonds at full face value and the interest is paid by Treasury

check every six months for the life of the Bond. You buy E Bonds at 75% of face value and the interest accumulates to maturity. H Bonds provide income for living expenses, while E Bonds build a nest egg for the future. That's why many retired people hold H Bonds and families saving for, say, a child's education, buy E Bonds.

Q: In what denominations can I buy series E and series H Bonds?

A: E Bonds: \$25 (cost \$18.75), \$50 (cost \$37.50), \$100 (cost \$75.00), \$200 (cost \$150.00), \$500 (cost \$375.00), \$1,000 (cost \$750.00), \$10,000 (cost \$7,500.00).

H Bonds: \$500, \$1,000, \$5,000, and \$10,000. They are priced at face value.

Q: How safe are U.S. Savings Bonds?

A: Savings Bonds are an absolutely riskless way to save. The United States Government guarantees the cash value of your Bonds will not drop, that it can only grow.

Q: What if my Bonds should be lost, stolen or destroyed?

A: You can't lose. Every Bond purchased is recorded by the Treasury. If anything happens to your Bonds they are replaced—free.

Q: Where can I buy Bonds?

A: Buy E Bonds at any bank—it takes only a few minutes. Buy H Bonds practically through the Payroll Savings Plan where you work. This Plan means you can have any amount you want automatically deducted every payday. The Bonds you buy by installments are delivered to you automatically, too. Your bank will take your order for H Bonds.

Q: How do I help strengthen America's peace power when I buy U.S. Savings Bonds?

A: Peace costs money—money for military strength and for science. And money saved by individuals helps keep our economy sound.

YOU SAVE MORE THAN MONEY WITH U. S. SAVINGS BONDS

A message from the Treasury of a free people

How to speak out for freedom today

Free men have never gone in much for silence. Even before the first thirteen States became United States, men were speaking for freedom loud and clear.

Today Americans speak out for freedom many ways—in Congress, in local government, in neighborhood activities. Some speak out for freedom in other languages, in other lands. And millions of Americans speak out for freedom every time they buy U.S. Savings Bonds.

Every Savings Bond you buy is an investment in freedom. While you're saving money for your

own family's future, you're helping Uncle Sam tend to the business of keeping men free today.

Perhaps you don't speak out for freedom in the same tone of voice when you buy a Bond as Patrick Henry did in his famous speech. But you speak every bit as surely. And every bit as proudly.

Why not speak out for freedom now? Buy Bonds at the bank or on the Payroll Savings Plan where you work.

Keep freedom in your future with

Pahokee WSCS Meet Here Monday Eve

Mrs. John Hatton presided at the general meeting of the Pahokee First Methodist WSCS Monday night in the absence of Mrs. J. L. Reeves, president. Mrs. Hatton opened the program with the reading of the Christmas story from the Bible, followed by testimonies from Mrs. Ellis Murphy, Mrs. Frank Rosenberg, Mrs. Ralph Johnson and Mrs. Bill Culberson.

In the short business session that followed it was decided that members wishing to contribute \$1.25 for a Bible for the Florida School for Boys in Okeechobee would be given the opportunity to do so at the circle meetings next week.

Mrs. Howard Holman, secretary of campus ministry, announced that 29 members are now in college or service and have received Thanksgiving cards, Christmas cards and an invitation to attend a breakfast at the home of Mr. and Mrs. J. T. Boynton on December 19 at 9:30 a. m.

Mrs. Robert Hatton reported that Prayer Calendars may be ordered from Mrs. Arch Blakey. The price is \$1.50.

The attendance pin was awarded to the Vena Mae Schroder Circle. It was announced that the Simonson-Lair Circle will meet at the Church on December 20 at 3 p. m. at which time Mrs. Arch Blakey's kindergarten will present the program.

Members were reminded that each circle will be responsible for delivering the booklet "Upper Room" to their "shut-ins."

A vote of thanks from the WSCS was presented to Mr. and Mrs. Lloyd Hundley for the contribution of new drapes for the parsonage.

Mrs. Hatton asked for special stamps which will be used to buy milk and food for children in other lands.

Don Collier Is New CC Director

Don Collier, an employee of Florida Power and Light Company, has been named to the board of directors of Pahokee Chamber of Commerce. The announcement was made by President Bill Moss.

Bill Benton, who was serving as president during the past year, moved to Belle Glade, creating a vacancy in the directorate. It is this vacancy that young Collier will fill.

Mr. and Mrs. John C. Saceman, Jr., are shown above at the time of their wedding on November 20 at the First Methodist Church in Pahokee. The bride is the former Miss Faith Sasser daughter of Mrs. Doris Sasser and Paul Sasser of Pahokee and the groom is the son of Mr. and Mrs. John C. Saceman, Sr., of Lake Placid. The couple will reside in the Farrow Apartment at 164½ Banyan Avenue in Pahokee.

APPRECIATION

Words cannot express the love we feel for the friends of our mother and grandmother, who so thoughtfully came to our aid in this recent time of sorrow. The beautiful flowers, the wonderful foods, your cards and the other expressions of sympathy will be cherished forever by . . . The family of Mrs. J. B. (Mattie) Elliott

APPRECIATION

We wish to thank everyone who has shown us kindness in any way since the death of our mother and grandmother, Mrs. Ella A. Crippen of Dania. Mrs. Ralph C. Stanley and sons Mr. and Mrs. Joe Hatton, Sr. and family. Mr. and Mrs. Kenneth C. Moon and family.

A message from the Treasury of a free people

Each of the seven denominations of Series E Savings Bonds shows a different President of the United States. If you're interested in this kind of art, the seven make a nice collection.

Along with the hobby, Savings Bonds offer such extras as riskless investing, 3½% more money at maturity, and financial freedom for your future.

But there are other kinds of freedom tied in with your purchase of Savings Bonds. Freedom to speak your piece, choose your job, and own your property, to name a few. Every Bond you buy helps our government further the cause of freedom everywhere in the world today.

Why not start collecting U. S. Savings Bonds now? Only \$18.75 each for the George Washington variety, at your bank or on Payroll Savings where you work.

Keep freedom in your future with

Mrs. Pope's Purse Taken From Car

Sneak thieves are busy in the Glades at this Christmas season. If you leave your car, take along your purse. That is the advice that Mrs. Mae Pope of Pahokee would give her friends after her purse was stolen from her car when she went into the Bank of Pahokee on business. It contained important papers and \$30 in cash.

Mrs. Pope is manager of the Glades Office Building at Belle Glade and she lives on Bacom Point Road.

ATTEND FUNERAL

Out-of-town members of Mrs. J. B. Elliott's family attending her funeral Sunday were Mr. and Mrs. Thomas L. Elliott of Florala, Alabama; Thomas L. Elliott, Jr., and son, Tommy, of Satellite Beach, Florida; Mr. and Mrs. Larry Elliott, South Bay; Mr. and Mrs. Harper Kendrick of Bradenton; Mr. and Mrs. Colten Blakey, Orlando; Dr. Bill Blakey, Orlando; Mr. and Mrs. Clyde Doolittle and son, Jimmy, Fort Lauderdale; Mr. and Mrs. George McLarty, Lake Worth; Mrs. Bruce Williams, Lake Worth; Dr. and Mrs. David Bleach and children, Fort Pierce; Mr. and Mrs. Douglas Congelton and daughter, Lori, Belle Glade; Wayne Elliott, Jacksonville; Lt. and Mrs. Ronald B. Elliott, Orlando and Mrs. Velva Elliott, also of Orlando.

Sandra Lampi To Wed Dec. 11

Miss Sandra Rebecca Lampi will become the bride of Donell Jarriel, Saturday, December 11, in a 7 p.m. ceremony at the First Methodist Church in Pahokee. Rev. Robert Shelley will officiate. Miss Lampi will be given in marriage by her father, Robert O. Lampi.

She has chosen as her maid of honor, Miss Mary Della Penna of Wayne, New Jersey. Other attendants will be Mrs. Joan Ramsey, Mrs. Dona Peel and Miss Janice Wilbow.

A reception will follow the ceremony in the recreation hall of the church.

No invitations are being issued but all friends of the couple are cordially invited to attend.

Baker Sheriff Is Bureau Head

Baker County Sheriff Ed Yarborough has been named director of the Florida Sheriff's Bureau. He was told to start building it up for the betterment of law enforcement in the state.

Yarborough will take over the job on December 15, succeeding Don McLeod, who is resigning because of poor health. McLeod will remain on a consultant basis until June 30.

Governor Burns had turned the responsibility of nominating the new director of the bureau to the sheriffs association and at a meeting in Jacksonville, Yarborough was the unanimous choice.

Yarborough said his first action will be to embark on an investigation of crime on the lower southeast coast at the requests of sheriffs of Dade, Broward and Palm Beach
